Members of the Anson, Hindon and Minden municipal council and staff members got into the spirit of the community's 125th anniversary Thursday. Complying with their own regulation endorsed earlier this year, the councillors will appear at regular meetings attired in costumes depicting the early days of the community. Seen here in their heritage finery are, seated, Councillors Dave Stevens and Gary Kenney, standing, from the left, clerk-treasurer Elinor Burke, Reeve Lyle McKnight, bylaw enforcement officer Dick Schell, Deputy Reeve Ed Pergolas and Councillor Pat Burk.

Passenger dies in freak mishap

A freak accident has taken the life of a Willowdale man.

The accident occurred in the early morning hours of Saturday on County Road 8 in Sherborne Township.

According to the police, a van was being driven by 19 year old Kimberly Ann Hermack of Scarborough with Allen Ailles, 23, of Willowdale, a passenger in the front seat. Hermack was described as an inexperienced driver.

As the vehicle proceeded around a curve and down a steep hill, the right wheels were caught in the right shoulder. Hermack attempted to bring the vehicle back on to the roadway and as she did, oversteered, causing the van to cross over to the left ditch.

Ailles, who was also the owner of the van, was thrown from the passenger's seat as a result of the swerving, ending up between the steering wheel and the driver's seat. It was at this point that the man sustained fatal injuries,

described by police as likely being a broken neck.

Two other passengers in the vehicle were treated for minor injuries at hospital in Huntsville. The driver was admitted to the hospital for treatment.

Hermack has been charged with careless driving and driving without a licence.

The van sustained extensive damage.

Constable Brian Dunham was the investigating officer.

Break-ins

The Lakeview School on Highway 118 in Haliburton Village has been the target of thieves twice during the past week. The building houses the classroom and offices of Sir Sanford Fleming College and a drop-in centre for parents and children known as CHACE Place.

The first break-in took place June 12 when a window was broken. Cash in the amount of \$150 belonging to the College and \$123 from the drop-in centre

County bids fare well to director

In a glowing tribute, Haliburton County said "thank you" to the retiring director of Education, Doug Hodgson, Saturday.

Mr. Hodgson had served as the Director of Education for the Haliburton County Board of Education since the inception of the county-wide system in 1969. The tribute Saturday capped his 38 year career in the education field with 26 of those years being spent in Haliburton County.

The day began Saturday afternoon when an open house was held at the J. Douglas Hodgson Elementary School in Haliburton. Hundreds of residents of the county attended the gathering to wish the retiring education official well. The school was recently renamed in honour of his many years of service to the community. The gift of a painting was also presented at that time.

Saturday evening a dinner and reception in his honour was held at the Legion Hall in Haliburton. Friends, members of his family,

county politicians, educators and other well-wishers gathered to mark the occasion.

At the front of the hall an interesting tableau, depicting Mr. Hodgson's early days of teaching in the county was constructed. The one room schoolhouse scene included old texts, a wood stove, and was complete with a shiny red apple on the teacher's desk.

The chairman of the Haliburton County Board of Education, Bonnie-Lee Berry welcomed the guests to the dinner. Stuart Baker, principal at Archie Stouffer Elementary School in Minden and newly appointed Director of Education, was the master of ceremonies for the evening.

Following the meal served by the Legion Auxiliary, a number of tributes were offered to Mr. Hodgson for his many years of service. Letters from friends, associates and fellow educators were read. Included in these was a letter from the Minister of Education, Dr. Bette

Stephenson, Ontario Premier William Davis, and Victoria-Haliburton MPP John Eakins, who explained his absence by saying he was visiting distant relatives in Ottawa. (The federal Liberal leadership convention was taking place at that time and Eakins was a voting delegate at the event.)

The audience was treated to a song, specially written for the occasion by Bill Gliddon. The song was sung by Julie Hunter.

Gifts were also presented from various schools in the county system. Among the gifts were two oak trees presented by Archie Stouffer Elementary School. One of the trees will be planted at the school while the second will be planted at a location of Mr. Hodgson's choice.

One of the highlights of the evening was an audio-visual presentation prepared by Mr. and Mrs. John McLennan; both teachers in county schools. Using slides and music, the couple

(more on page 2)

Holding the old fashioned school bell presented to him by Haliburton County Board of Education, the retiring Director of Education J. Douglas Hodgson receives the congratulations of board chairman Bonnie-Lee Berry and the newly-appointed Director, Stuart Baker.

Jim Milne of the Haliburton Dixie Lee Soccer team, in the striped jersey, shows his determination as he pursues the ball during a game Sunday afternoon at HHSS. The local squad went down to a 4-2 defeat at the hands of Orillia City. Brian Holden and Shawn Chapman were the goal scorers for the Haliburton team. Andrew Shapiera played a key role in net for Dixie Lee turning aside a number of potential goals in the hard fought game. The team moves its practices and games to the pitch at Archie Stouffer Elementary School in Minden this week as the HHSS field will be regraded and sodded during the summer months. The team will practice in Minden Thursday night at 7 p.m. with another home game scheduled for this coming Sunday afternoon. The Dixie Lee team will face the Bracebridge Juniors at 2 p.m.

Break-ins at SSF College

(from page 1)

was stolen. The same method of entry was used again on June 16. The classrooms within the building had been locked however the intruder forced the doors using a tire iron. Extensive damage was done as well. This time the cash theft amounted to \$125.

Several nearby cottages were also entered at the same time with some damage being done and a number of items being removed.

The matter is being investigated by Constables Al Bibby and Paul Shaughnessy.

Collision

A meeting of the left front fenders of two vehicles on the Boundary Road in Lutterworth Township resulted in \$3200 damage.

The incident occurred June 16 during the afternoon. The driver of one of the vehicles involved was 20 year old Paul Silver of Kinmount. The second driver was Charles Ross, 30, of Downsview.

Silver has been charged with impaired driving.

Constable Dave Rogers is the investigating officer.

Deer vs car

One of a number of deer-car collisions during the past few weeks has resulted in \$5000 damage to a car driven by a Gooderham area woman.

Lenore Rose, 65, was travelling on Highway 503

June 13 when her vehicle struck the deer.

As a result of the collision, the car left the roadway and came to rest in a ditch. The driver sustained minor injuries in the collision.

Police report there have

been at least seven incidents of vehicles and deer colliding during the month of June.

Constable Paul Shaughnessy is the investigating officer.

Minor injuries

A motorcycle driver received minor injuries when the machine he was driving tipped as he attempted to bring it to a stop. The incident occurred on Newcastle Street in Minden June 15.

The driver, 19 year old Carl David Coulter received minor injuries.

The investigating officer was Constable Ken Wesley.

Cottages

Police have stepped-up patrols in the Kawagama and Bear Lake areas near Dorset following reports of a number of break-ins, most at cottages. According to police, a number of articles have been removed from the structures and some cottages sustained damages inflicted by the culprits.

The police are using the Minden detachment launch to determine the extent of the break-ins. At the present time there has been no final

count on the number of items stolen or their value.

The matter is being investigated by Constables Al Bibby and Brad Burkholder.

Observations

Some observations on a warm June day.

-Nothing seems to come slower than pavement to the streets of Minden.

It is heartening to see the work beginning on the sidewalks on the east side of Main Street...it's a sure sign that the pavement cannot be too far off.

Everyone, merchants and drivers included, are willing to accept short term discomfort for long term gain, but it wouldn't be too far off the mark to say that patience and reassuring thoughts about how "nice" it will all be when the work is finally finished is running thin.

-Ditto for the park development at the former Welch property on Main Street. The grader and workmen were on the site earlier this week...but it would be pleasant to see some green there soon.

-Locally, provincially and nationally the political parties are arming their slings for the battle ahead. It is a certainty that within the next nine months Ontario voters will be participating in an electoral process at both senior levels of government. It may be more than voters can take, but for those who enjoy the give and take of political repartee, it will be a feast not to be missed.

-Prime Minister Trudeau may not be everyone's favourite politician, but there is no doubt that he has left his mark on the country. While his arrogance and contempt for the political institution and often the people of Canada colours our memory of the man with a biting sting, these will no doubt fade with time and historians will record his tenure in office as one of significant advances for our nation. Now if we can only find someone to straighten out the economy.

-Now summer awaits, beckoning with warm breezes and lazy weekends. Enjoy, enjoy....

Summer bloomers

Youth unemployment grows

- by John Eakins, MPP -

Statistics released in the Legislature on students registered with Canada Employment centres showed that, of the 34,553 registered in Toronto, only 9,435 found work. Of 12,127 registered in Ottawa, 1,410 obtained work, of 7,106 registered in Hamilton only 1,906 were successful. The figures for Windsor were 806 out of 3,797, for Peterborough 677 out of 2,994. Noting that the Metro Social Planning Council has expressed the view that 778,000 youths are unemployed in Canada, as opposed to the 533,000 reported by Ottawa, David Peterson asked the Treasurer how many young people are really unemployed in Ontario and how he planned to "attack this real problem." The treasurer stated that the government will create more than 100,000 jobs "for those young people", but not just short-term jobs which fail to solve the youth unemployment problem. He referred to measures in his budget of last month, which "will take a lot of those young people

and give them educational upgrading, job training, job experience and some jobs." In his view that was the right approach whether there were 169,000 young people unemployed in Ontario, or 180,000.

Workers' Compensation

Opposition members have charged that the long-awaited amendments to the Ontario workers' compensation system ignore the most crucial problems facing workers. In tabling amendments which were four years in the making, the Minister of Labour disregarded the core of recommendations made in two reports to the government by law professor Paul Weiler. In his two reports on permanent partial disabilities and industrial disease, Weiler made recommendations which would affect more than 80,000 workers, who form the majority of people on compensation, and suffer from permanent partial disabilities. The Minister claimed that the government has decided on a "phased

program of reform" to implement "two basic thrusts" which emerged from the Weiler studies, the first of which was to make the Workers' Compensation Board "more open and responsive to client needs." In his view, the structural changes effectively met this demand, including the creation of an independent tripartite appeal tribunal with provision for independent medical opinion, a new panel to advise on criteria for compensation victims of industrial disease, and the inclusion of domestic workers under the act. The so-called "meat chart" was the second area of concern. This chart determines how much a worker may be compensated depending on which organ or limb has been lost or disabled, and injured workers as well as Workers' Compensation Board officials have long agreed that the chart is an unfair system. Weiler proposed that the meat chart be replaced with a dual award

Federation of Ontario Naturalists

Since the turn of the century, modern chemistry has transformed the healing arts of old into an experimental science dominated by a myriad of wonder drugs. Great progress has been made in eliminating or suppressing certain illnesses, especially through the use of antibiotics.

Unfortunately, the common cold has so far eluded our pharmaceutical traps. Rising cancer rates also show that medical science is not yet out of the woods. That's not all bad of course, since it is in the woods that many herbal remedies of yesteryear and important drug discoveries of today have their roots.

One of Ontario's common flowering wild plants, the Mayapple, is the latest cause of excitement. The Mayapple is variously known as American Mandrake, Wild Lemon, Devil's Apple, Duck's Foot and Raccoon Berry or its latin name *Podophyllum peltatum*.

You'll recognize Mayapple when encountering big patches of umbrella-shaped leaves. In early spring the flower bud looks like a nodding head in the crook between two such leaves. By mid summer, the waxy 6 - 9 petalled flowers have been replaced by a large lemon-like berry, which can be used to make preserves, though the rest of the plant and the green fruit are poisonous.

American Indians used the Mayapple for centuries to treat warts, deafness and parasites. Later its resin was widely marketed as a tropical ointment for venereal warts, tumours and polyps.

Recently, scientists from Bristol laboratories have started selling a new drug named Vepesid, which is a largely synthetic substance derived from a natural extract of the Mayapple. And it is already billed as the next "super-star" cancer drug having proven very effective on men suffering testicular cancer. Scientists have already compared it to the Madagascar Periwinkle which dramatically increased the survival rate of leukemia victims. Mayapple also shows hopeful signs of combating viruses such as herpes.

Discoveries such as this remind us just how important plants are to our well-being. The soft green carpet of vegetation which thinly covers the earth, not only prevents soil erosion, influences climate and maintains our stock of clean, fresh water, it also prolongs our lives by supplying roughly 40% of the world's drugs.

Where does conservation fit in? Medical plants are in danger of disappearing as

SECOND CLASS MAIL REGISTRATION NO. 0936

After 38 years Doug Hodgson looks back on his career

In 1946 a young high school graduate from Haliburton was asked by the local school inspector, Archie Stouffer, to fill a teaching vacancy in a one room school house in Harburn.

He accepted the job and after a career as a teacher and principal J. Douglas Hodgson was chosen as the Director of Education of the Haliburton County Board of Education. Today he is the head of an organization that is responsible for the education of over 1800 students in eight schools.

During an interview in his office on Monday, he spoke fondly of his first teaching job.

The Harburn school was an isolated one room log building. A massive wood stove in the middle of the room provided an effective central heating system. There were no lights in the building except for two oil lanterns that were used during evening meetings. Drinking water was drawn from a spring and kept in a pail on the window sill.

He taught ten students in all the elementary grades. Archie Stouffer who he remembers as "a great teacher" helped him that first year by giving a demonstration lesson on how to teach several grades at once. His experience as a student was also helpful. "Fortunately I had some excellent teachers when I was going to school," he noted, adding "I had some good role models."

When asked if he saw any difference between the teachers he had as a student and the teachers of today he replied, "Teachers today are so fully educated. Now when the teacher comes out of teacher's college, they have such a tremendous background of learning and experience that they have a lot to bring to the children."

As an example he cited the impressive performance of the secondary school athletes in competitions this year. "Those students have ability but they have more than natural ability; they must be trained properly. In our elementary schools we have teachers who are teaching those athletic skills at an early age. That didn't happen fifteen years ago."

He went on to say "If you have dedicated teachers and the children have role models in the adults and are dedicated themselves, they can become champions."

He also noted "We have in

our system today, so many teachers who have many talents." Citing the success of the music programs and theatrical productions that have been initiated by teachers. He spoke again of the students that were present at the Athletic Awards banquet. "I was tremendously proud of our

and religious differences have almost been obliterated. We are living to some degree in a non-judgemental society which we have aimed for all our days."

"I am impressed with young people, I have never been more confident than anything in my life than I am

some of the major changes that he has been part of. He described the Robarts plan which introduced technical and commercial education into smaller schools in 1963 as being a very important change.

He also described the introduction of Special

has a right to go to the schools in the system and the Board has to provide teachers and programs for those children."

He described the legislation as being "the greatest change in education in my life time. It is the greatest because it is forcing all of us who are in education to look at people individually, to look and see how a child learns and if he is not learning well, to get some kind of remedy for whatever it is he cannot do."

"Bill 82 will radically change the educational system and that it will individualize our instruction more than anything else that has ever been done."

Computers will also have a significant effect on education in the future, in his opinion, but he does not foresee a time when children will sit at home and watch computers in order to learn. "Computers will not do away with teachers; children will still need caring adult instructors. I think also that there is too much to be gained in the social sphere to do away with school. People have to learn to live with each other."

During his term as the Director of Education, Hodgson has had to act as a mediator. "I have to have a lot of political wisdom to reconcile differences. To keep an educational system going the way we have without a lot of trouble in the community, without strikes by teachers, without strikes by the employees, you have to constantly and diplomatically be arriving at decisions."

He added, "No director of education can dictate to people; he has to influence and inspire and try to get people interested in the things they are capable of. It is not a job where you can commandeer people or push people around."

Throughout his career, he has strived for a more human system, where human dignity is respected. he sees society changing and becoming more tolerant. "If I have one message for the people of Haliburton County, it would be: criticize each other less; love each other more. You cannot have perfect neighbours, you cannot have perfect friends; they are not perfect; we have to accept their imperfections."

He added, "there is more acceptance now, a more non-judgemental society and that it good."

Retiring Director of Education J. Douglas Hodgson.

young people."

He added, "I find that teenagers today are very responsible. In fact, I worry sometimes about teenagers working too hard; they are too dedicated," adding that although he encourages work, "there is more to living than just work."

He has also been impressed by their concern for social justice. "Racism

about young people."

He also expressed optimism about the future, noting, "Our society is going to be alright. The young people that are coming up are caring, they are considerate and they know that people deserve their own human dignity."

In looking back over his career in the educational system, Hodgson spoke of

Education in the system as being of major significance. He pointed out that special education was introduced into the Haliburton County school system about 15 years ago, ahead of most counties in the province and before Bill 82 was introduced.

Hodgson noted that under Bill 82 "every child

from the chamber

The Haliburton Guild of Fine Arts will present two shows at the Senior Elementary in Haliburton Village beginning July 6.

The Summer Exhibition and Sale will run from July 6 - 21 and will feature pottery, crafts, knitting, woodwork, etc., together with a children's art and crafts centre. Home baked refreshments will be available.

The Quilt Show will feature quilts from the Canada Packers Collection.

Both shows open at 7:30 p.m. on July 6.

Medallions

Thirty Canadians from all regions of Canada have been awarded Canadian Tourism Medallions and Certificates of Recognition honouring their contribution to the industry. Federal Tourism Minister David Smith presented the awards to 17 national recipients at a special banquet in Ottawa last month. He also announced the names of 13 provincial/territorial recipients who received their medallions and certificates at individual ceremonies involving each province.

Because of the importance of tourism to the world, and to Canadians, the Canadian government has chosen to recognize those in the industry who have made a significant contribution to it.

Among the provincial / territorial recipients was Art Ward of Wig-A-Mog Inn. Congratulations Art.

Still on the subject of tourism we want to remind county residents that the tourists information booths in the county not only serve visitors but also are there to help residents.

There is a large supply of Ontario Government publi-

cations on hand to help you find accommodation all over Ontario, information of parks and camping, maps and Traveller's Encyclopedias which contain a lot of data on towns and villages throughout our province as well enticing pictures and location maps.

These publications are free to the public and we encourage you to visit your nearest info centre to pick them up. In Lutterworth Township there is the Boundary Information Centre affectionately known as "The BIC" on Highway 35 opposite the Noble Inn, call 454-1424, at Minden Village is the Chamber of Commerce at 286-1760, in Haliburton Village is the Caboose at 457-2871 and there is the School House in Cardiff at 339-2349.

Outdoors

(from page 4)

their habitat is destroyed by development. The Madagascar Periwinkle is one example of a species under the gun. Many others with great potential could disappear before we even guess it. That's why the World Wildlife Fund recently launched its international plants campaign to stop plant extinction.

I doubt that there is a single magic cure for cancer awaiting discovery. But conservation of plant diversity will help ensure that we have the means to cope with this disease and others. That's worth an awful lot.

Glass seeks Liberal nod

Election fever appears to be growing in the federal riding of Victoria-Haliburton.

Bruce Glass, a Lindsay lawyer announced this week that he would be seeking the Liberal nomination for the riding.

According to the press release issued by the candidate, he has had an interest in the federal seat for a number of years.

A resident of Lindsay since 1954, he has taken an active interest in both federal and provincial elections during that time.

Glass is a senior partner in the law firm of Glass, Farn and Reynolds. He is a graduate of Acadia University in Nova Scotia where he received his Bachelor of Arts degree. He was awarded his law degree after attending Queen's University in Kingston.

While a resident of Lindsay he has been active with the local Kinsmen Club and served as that organization's national president. He has also been a director of the Lindsay Chamber of Commerce, the Lindsay Big Brothers organization, chairman of the Lindsay Homecoming committee for 1983-84 as well as a member of the

Liberal riding executive.

The prospective candidate said that Canadians are most concerned about financial security.

"Canadians want to feel secure so we can continue to have a good standard of living," Glass commented. "To do that we must prepare to develop new ideas and become more competitive in international trade. Basically we are going to have to hustle for business," he said.

Nomination meeting

In a press release issued at the same time, the riding's Liberal association announced that a nomination meeting would be held June 27 at the Royal Canadian Legion Hall in Lindsay. The

PLAY IT SAFE!

Tough sledding for cross country ski trail agreement

What began as a discussion on the closing of part of a road allowance at the Anson, Hindon and Minden council meeting on Thursday, turned into a lengthy debate over the lease for the right-of-way of a proposed cross-country ski trail.

The road allowance crosses the Beaverbrook Golf Course. Anson, Hindon and Minden councillor Dave Stevens, who is the owner of the golf course, declared conflict of interest in the matter and did not participate in the discussion. Stevens was represented at the council meeting by lawyer Ross Wittington.

Wittington began by stating that the closing of the road allowance would not affect any other property owners and added that if the road allowance was not closed, further development of the golf course would be affected.

He added that Stevens was prepared to pay any costs that were incurred by the municipality and to pay whatever value was set for the land.

Wittington then raised the issue of a 99 year lease on the right of way for the ski trail that is being proposed by the municipality. Wittington pointed out that Stevens has no intention of stopping the use of the trail, but is against a permanent lease on the right of way across the golf course.

Deputy Reeve Ed Pergolas suggested that council had no objection to the road closing but disagreed that the ski trail would affect the development of the golf course.

He noted that the municipality presently has a one year agreement to use the outside part of the

course and that the municipality had built a bridge over Beaver Creek to be used by cross-country skiers. Pointing out that the cost of clearing the trail, constructing bridges and equipment could cost thousands of dollars, he stated "if we spend thousands of dollars to develop the ski trail and Dave ends the agreement, we are left holding the bag."

He added that the council was trying to protect the expenditures of the municipality in the future.

Wittington pointed out that because of the possibility that users of the trail might cause damage to the golf course, the agreement for the lease of the right of way should stipulate that the municipality would be responsible for the costs of repairs.

Deputy Reeve Pergolas disagreed, stating "What I don't like about that agreement is that the municipality is liable for any damages."

Wittington elaborated by pointing out that if machines such as all-terrain vehicles were driven on the soft greens they could cause damage and that Stevens does not want to enter into a lawsuit to collect for those damages.

Wittington went on to say that Stevens does not want to enter into a 99 year lease, but, "we are prepared to negotiate a longer period of time that the present one year agreement," adding that council and subsequent councils should operate the trail and ensure that it is compatible with the golf course.

As council was trying to determine the exact boundaries of the part of the road allowance that was under consideration,

councillor Gary Kenney suggested that "In all fairness to Dave (Stevens) he should be able to provide information."

Following a request for clarification of the guidelines on conflict of interest, clerk-treasurer Elinor Burke read a section of the guidelines which stated that councillors must declare interest and cannot involve themselves in a discussion, influence a vote or vote.

Reeve Lyle McKnight suggested that "If council wants to ask Dave a question he doesn't have to stay mute," adding that he wanted to make it clear that Stevens was "not going to get special treatment because he is a councillor."

Councillor Stevens refrained from making any comment and the discussion resumed.

In commenting on the proposed agreement, Wittington stated that his client would prefer an unregistered licence strictly for the right of passage and suggested that in the future council might not need the trail since cross-country skiing may not remain as popular as it is at present and that a 5-10 year agreement would be sufficient.

Councillor Gary Kenney disagreed, stating "I think you are trivializing the cross-country ski trail."

The councillor went on to say that the municipality has hundreds of acres of parkland that are an important attraction adding, "the only insurance that we have for access, is the road allowance."

Noting that the municipality has a limited resource base, Kenney commented "We are forsaking in the long run, the public interest,

if we go by that agreement."

Following a comment by Wittington that a permanent right of way was too long, Kenney pointed out that the permanence of the trail system would have a bearing on financial assistance provided by provincial funding agencies.

After questioning the importance of permanence in terms of funding, Wittington emphasised, "Our major concern is vandalism on the golf course."

He suggested an initial ten year agreement which could be renewed for a further ten year period provided the municipality repaired any damages that occurred and stated that Stevens would be willing to submit a letter of intent for the agreement.

Council agreed with the suggestion and went on to further business.

AN INVITATION

To President and Directors of the

STAANWORTH NON-PROFIT HOUSING CORPORATION

request the pleasure of your company to attend a cornerstone ceremony for the

STAANWORTH COURT SENIOR CITIZENS APARTMENTS

NOTES

(1) The 1983 financial report consolidates the operations, assets and liabilities of the Townships and the following local boards and municipal enterprises: Minden Waterworks System, Minden Sewage System, Minden Business Improvement Area, and Minden Cemetery Board.

(2) The above data has been extracted from the audited 1983 Consolidated Financial Report of the Townships and the local boards as described in Note 1. Copies of the 1983 Consolidated Financial Report and the Report of our Auditor, Gary L. Thurston, Chartered Accountant, are available at the Townships' Offices to any resident who wishes to review or analyze the financial operations of the Townships in greater detail.

(3) Included in the expenditure for current operations are principal charges for the retirement of long term debt of \$32,414 (\$30,856 in 1982) and interest charges of \$65,447 (\$67,001 in 1982).

Highland fling

Traditional Scottish music filled the Agnes Jamieson Gallery as the Haliburton Highlands School of Dance presented a Scottish Experience on Friday evening. Laurie Smith and Sara Mowat, right, students of the school, perform the sword dance. Pictured below are members of the Haliburton Highlands Scottish Country Dancers who perform the intricate manoeuvres of the St. John River folk dance.

Rockcliffe Hustler player Greg Newell slides through a cloud of dust into third base as a Kent Tavern player searches the outfield for the ball. Coach Neil Burke, on top of the action, guided his team to a 7-2 victory in Wednesday night's game.

Hustlers win 7-2

The Rockcliffe Hustlers won their sixth game in a row as they downed Kent Tavern 7-2 to raise their record to 6 wins and 2 losses.

Hard hitting Greg Newell smashed a triple and a home run over the centre field fence and Jack Snell pitched a three hitter to lead the Hustlers to the win.

Bob Hammond, Pat Byrne and Collin Newell had two hits each for the winners while Barry

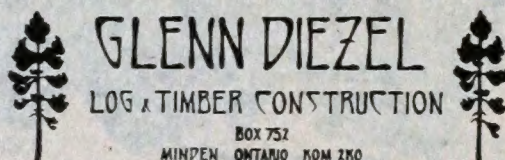

Hammond hit a solo home run. Ed Bryans scored both runs for the Tavern on two solo home runs.

This Wednesday (June 20) the locals will meet the Lindsay Auctioneers at 8:00 p.m. The Hustlers will be out for revenge as in the first meeting of these two teams the Auctioneers defeated the Hustlers 2-1. This should be a top notch game so let's get out and give the boys some support.

Hustlers Top Five Batters (at least 12 at bats)

	AB	Hits	Ave.
Greg Newell	31	15	.483
Jack Snell	25	12	.480
Barry Hammond	13	6	.462
Dave Hartwick	28	11	.392
Collin Newell	31	11	.355

Dixies down Haliburton 16-8

Monday June 11, Minden Dixie Lee hosted the Haliburton Juniors and came out on top 16-8. The Juniors led 6-5 at the end of the third, then in the fourth Minden erupted for eight runs and never looked back after that. Minden was led by Wendy Gough who was five for five at the plate.

Barb Winn also had a perfect night at the plate. Nelda Cully and Anne Hewson shared the win while Miriam Smith took the loss.

On Tuesday night the two Minden teams played in Minden and it was a real

pitchers' duel between Anne Hewson and Andrea Burk. The Seniors got three runs in the top of the first but the Juniors got two of those back in the bottom of one. Then the Seniors got one run in the third and sixth and the Juniors could only manage one win in the third. The final score 5-3. Wendy Gough was the big batter for the Seniors again going 4 for 4. Andrea Burk had a good night for the Juniors.

Haliburton Seniors got their first win of the season when they played in Wilberforce. Their bats finally got going and were

fed by Sheila Elston, Wanda Scott and Betty Whiteway. Chris Storey homered for Wilberforce. Wendy Roberts picked up the win while Kim Mumford took the loss. Final score was 27-9.

Thursday June 14, the Haliburton Seniors travelled to Minden to take on the Seniors for a previously scheduled game which was rained out. After five innings it looked like Haliburton was going to have their second victory, but thanks to Harry Pye's bribe, Minden blasted twelve runs in the second

inning and went on to win 20-10. Wendy Gough hit two home runs in the sixth with one being a grand slam. Liz Baker and Trish Slavik also had a good night for Minden. Haliburton got a good night from Sheila Elston and Wanda Scott. Nelda Cully got the win while Wendy Roberts took the loss.

Tournament

On Saturday the Minden Dixie Lee team travelled to Woodville to participate in a one day, eight team tournament. They came up against Beaverton in the first game and were beaten 14-2. This put them in the consolation side and went on to beat Nestleton and Little Britain to take the consolation championship game.

Winning pitchers were Anne Hewson and Joan McKay. Bethany Wood was named the most valuable player of the game on two home runs she hit in the last game.

Players who participated were Cheryl Cooper, Bethany Wood, Bev Sisson, Joan McKay, Kim Mumford, Liz Baker, Anne Hewson, Joan Alger, Cindy Roodenburg, Corry Zorjen, Trish Slavik, Barb Winn and Helen Burk.

A Wilberforce player makes it home safely as the ball sails high above the outstretched arms of Minden Junior's catcher, Bonnie Maxwell. The game was played Monday night at the Minden diamond in front of a small but enthusiastic crowd.

Did you know?

by Bambi Gilder
Did you know...that there is a growing population of pick-your-own farms in Ontario?

Not only does pick-your-own produce provide a substantial (often 50%) decrease in price from retail, but the whole family can benefit from an inexpensive and productive day's outing. You may pick up a copy of the Foodland Ontario publication entitled "1984 Pick-Your-Own Fruit and Vegetable Farms and Farmers' Markets" at your Haliburton County Information Centre.

Farms are listed first by the regional location, then by the produce they have available. Directions on how to locate the farms and a phone number are provided.

This free list also includes availability charts to inform consumers as to which crops are ready to pick at any

given time. Hints on planning a pick-your-own outing and produce preservation charts make the list a valuable tool. For those who are less energetic yet love fresh produce, farmers' markets are listed

as well.
Please keep in mind that we are located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton and we are open Monday through Friday, 10:00 a.m. to 4:00 p.m. Why not drop in or give us a call at 457-2733? And remember - you will never know the answer until you ask the question.

OPEN HOUSE
Friday, June 22
FREE
Coffee & Donuts

Carnarvon has a new business and a beautifully restored and decorated old building. The Mill Pond Restaurant and Gift Shop marks its official opening this week although the business has been in operation for about a month.

The business is owned by Brock and Desneige Laws. As Brock commented recently, "We recognized an opportunity when we saw the structure, and finally have seen it through to the end."

The Laws purchased a former gift shop which has stood idle for a number of years and suffered at the hands of weather and neglect. They began major refurbishing plans early this spring. A complete basement was constructed behind the building and it was moved back about twenty feet onto the new base.

The renovations included extensive interior and exterior work which has given the structure a completely new look. A part of the work involved replacing virtually all the doors and windows in the building, adding some in several locations and eliminating others.

The result of this work is evident to anyone who drives by the building. It is obviously a great improvement. Inside the same improvement is obvious.

Brock and Desneige have divided the structure into two sections, the restaurant-snack bar operation occupies the southern portion of the building with a smart gift shop in the northern end. The restaurant serves a variety of meals and snacks and includes a take-out window for those who wish to dine outside or take their food with them.

The gift shop features local handicrafts, one of a kind items, antiques and gifts made from natural material. Included in the selection of items for sale are beautiful colour photographs taken by Brock and mounted in a special style which gives them a 'painted' look.

The Laws extend a hearty welcome to area residents and visitors to drop by their new establishment. In particular, this Friday afternoon, free coffee and donuts will be served as the couple mark the official opening of the business. The open house will run from 2 to 4 p.m.

MINDEN 286-2381
WILBERFORCE 448-2311

In keeping with the admonition of the Anson, Hindon and Minden municipal council, Jack and Keith Hill attended the Thursday meeting in pioneer attire. The council has decreed that heritage costumes will be worn for all regular meetings to help mark the municipality's 125th anniversary. While the dress code is optional for visitors, members of council and municipal staff are required to be suitably dressed.

Museum to open June 30

The Minden County Town Museum will be opening its doors to the public later this month.

Details of the museum's grand opening were announced by the facility's chairman Irene Moore earlier this week.

The grand opening is slated for June 30 at 2 p.m.

A special display of lumbering tools dating back to pioneer days will be featured at the opening. The tools and other artifacts from the lumbering industry are being prepared by Mr. Ron Pittaway of the Ministry of Natural Resources.

The museum is located in the former library building, which was once a bank. It is located directly behind the Minden library/cultural centre.

An invitation has been extended to all members of the public to be on hand for the opening and to view the many interesting exhibits on display.

**WATCH OUT—SCHOOL'S OUT!
DRIVE CAREFULLY**

Cow takes prize

A locally bred and raised Jersey cow took top honours at the Millbrook Agricultural Fair.

Arwen J.F.D. Freda, a year old Jersey, placed first in the intermediate heifer class and was declared the reserve heifer champion. The prize-winning heifer is jointly owned by Sue Bennett of Minden and Bud Kirchner of West Guilford.

The winning heifer is out of the "very good" Elmline Sparkie's Fan, by "excellent" bull J.F.D. Title.

The local entry faced stiff competition in the Millbrook judging.

This Week on T.V.

The listings are supplied by the T.V. stations. While every effort is made to ensure their accuracy, last minute changes may be made by the stations.

The Times

Inge Lovell, Experience '84 student has begun summer employment at the Agnes Jamieson Gallery. Miss Lovell will assist administrator Grace Turton under a program sponsored by the Ministry of Citizenship and Culture. A graduate of HHSS, Miss Lovell is presently studying political science and history at Trent University.

Forage day planned

- Ag report -

A Forage Day is being held in Victoria County of Wednesday, June 27th.

The program will be held on the farm of John Buckley and family, on the 9th Concession of Ops Township, east of Lindsay.

During the day, various types of balers for large round bales will be demonstrated. These demonstrations will be at about 11:00 a.m. and 1:30 p.m.

In addition, John Buckley has an in-barn hay drying system for conventional hay bales. Visitors are welcome to check out how this method works.

The Forage Day is being sponsored by the Victoria Soil & Crop Improvement Association with the co-operation of the farm machinery dealers in the Lindsay area. These include Arnott Farm Equipment, Morgan Baker, Callaghan Farm Supply, Hub International, Bob Mark, and John Ballam.

Events this week:

June 19 - 21: Ontario Pork Congress, Fairgrounds in Stratford.

Wed., June 20, 8:00 p.m.: Victoria County Sheep Producers Monthly meeting, Lindsay Agricultural Office

Thursday, June 21, 9:00 a.m.: "Women in Rural Life - The Changing Scene" Conference for farm women at the Constellation Hotel, Toronto. Participation by invitation.

Thursday, June 21, 8:30 p.m.: Victoria County

Junior Farmers meeting, Lindsay Agricultural Office

June 23 - 29: Provincial 4-H Leadership Week at Huntsville. Victoria County 4-H delegates are Marie Walden, R.R. 2, Lindsay, and Larry Bowen, R.R. 1, Little Britain.

Saturday, June 24: Junior Farmers Farm Equipment

Safety Competition, Rose-neath.

Saturday, June 24, 1:30 p.m.: Open House at Horticulture Experimental Station, Simcoe.

Wednesday, June 27, 10:30 a.m.: Forage Day Program at the farm of John Buckley, R.R. 5, Lindsay.

How's Your Hearing?

	YES	NO
1. When you hear conversation are you finding it more and more difficult to distinguish what is being said?	☐	☐
2. Are you asking friends to repeat what they said more frequently than before?	☐	☐
3. When people gather in groups to talk do you have difficulty understanding?	☐	☐
4. Does your spouse often ask you to turn the TV sound down to a level comfortable for them but then YOU don't quite get the sound?	☐	☐
5. When several people talk together socially, do you take part in the discussion or are you a "Silent Partner"?	☐	☐

If your answer is **YES** to any of these questions, come in for your **FREE HEARING TEST** which is being conducted for your benefit with no obligation to you.

DO IT NOW!

Clinic will be held
at the Library & Cultural Centre, Minden, Ont.
from 10 a.m. - 6 p.m. Tuesday, June 26.

— NEW WAVE HEARING AIDS —

Art convenors named

by Donna Bailey

In May we made an appeal for a convenor for "Art in the Hall". To our great happiness the response was three ladies who are willing to do this service - Marg Barnett, Peggy Podmore and Marv Walling. Thank you ladies for becoming our new convenors.

They have already been in to our building and they have created a masterpiece from the 19 masterpieces including paintings, needlepoint work and knitted items submitted to us from 9 artistic seniors. Their work brightens up the appearance of our hallways and adds a special warm touch to the Home Support offices, the Information Centre, the Drop-In Centre and the Committee Room.

If you are a senior we encourage you to display your handiwork in our building. We do have insurance coverage. Drop in and see the entire display and have a coffee, visit and/or rest while you are here. Our office hours are from 10 a.m. to 4 p.m. Monday to Friday.

We invite you to attend a general meeting of the Haliburton County Home Support Services this Friday, June 22nd at 10 a.m. at the Drop-In Centre.

Following the meeting you are invited to a "bring your own picnic lunch" at 12 noon and the official Grand Opening of the Drop-In Centre at 1 p.m. commencing with the ribbon cutting ceremony on our newly constructed patio.

Plan to attend all the events next Friday and bring

a friend. If you have any questions or if you can use

any of our services please call us at 457-2941.

PUBLIC MEETING CONCERNING A PROPOSED OFFICIAL PLAN FOR THE TOWNSHIPS OF ANSON, HINDON & MINDEN

TAKE NOTICE that the Council of the Townships of Anson, Hindon & Minden will hold a public meeting on

SATURDAY, JULY 21st, 1984

between the hours of 1:00 p.m. and 5:00 p.m. in the auditorium of the Minden Community Centre.

The plan is intended to establish a concept of how the Townships will grow and develop over the next five to ten years. In recognition of the social and economic importance of the area's natural resources, a prime objective of the Plan is the promotion of development while conserving the area's natural resources.

The townships plan is now at the draft stage. If you wish to provide input, now is the time. Please participate in this process so that the Plan may reflect the view of all Township cottagers and residents.

DATED at the TOWNSHIP OF MINDEN this 20th day of June, 1984.

Elinor Burke, A.M.C.T.
Clerk-Treasurer
Townships of Anson, Hindon and Minden

The edge of the Vankoughnet Road was littered with a load of lumber Monday morning after the restraints gave way on a truck as it rounded a sharp bend. The mishap took place just east of the Bobcaygeon Road. The driver of the truck was not seriously injured even though the vehicle ended up in the ditch after the incident. Workmen spent most of the day picking up the scattered lumber and transferring it to the Castle Building Centre in Carnarvon.

CHACE Place news

Summer has finally arrived, and with it lots of exciting happenings at C.H.A.C.E. To keep track of all the events, please check the classifieds, but for now, here's a sneak preview: This week and next you can clear out your outgrown children and maternity clothes and benefit C.H.A.C.E. at the same time. Bring in the clothes and we'll sell them at rock bottom prices on Thursday, July 5. On June 21 we're doing messy crafts, so dig out your old duds and wade in! June 29 will feature a grand Bicentennial Party - for this one, bring out your old-fashioned clothes, and come for some old-time games and treats, and on July 11, we're having a field

day. We'll be going on a nature hike July 19 to high-light Insect Week, and a cooking day on July 25 will

round out Nutrition Week. Every Wednesday there is a story time at 10:30.

Community groups are beginning to use the C.H.A.C.E. facilities: for several months the Haliburton area Nursing Mothers' support group has been meeting here on the first Thursday of the month, and now the local TOPS group is meeting here on Monday evenings.

As with any non-profit organization, we have a very active fund-raising committee. Along with our ongoing sale of C.H.A.C.E. T-shirts

and cookbooks, we're having another raffle, with lots of wonderful donated prizes.

Sale of memberships is going well...why not join yourself, or if you're already a member, a gift membership might be a perfect present for that new baby, or your new neighbours, grandparents. For our many summer visitors, we now have a summer membership available: for \$5.00 a family may use the library and the toy library for all of July and August. As usual, the drop-in facility is free for all. See you all at C.H.A.C.E.!

All members can pick up the second wonderful issue of Family Focus, our quarterly newsletter within a week.

Trent Severn news

The stored water in Haliburton area lakes operated by Trent-Severn Waterway increased a little to 98.4% by June 11. This puts the average level at about 5.5% higher than the average for 1970-79 at this time.

By the end of this week, June 16, the Otonabee flow had been reduced to near minimum. With the Kawartha Lakes averaging a few centimetres below navigation maximum a decline seemed to be occurring there too despite the flow reductions. Next week, beginning June 17, a larger reservoir flow will probably be needed to offset the evaporation losses. Lake Scugog flow has been cut off completely since June 4.

With very little rain in the past three weeks most of the lakes in the Trent and Severn watersheds have begun to drop. Lake Simcoe - Couchiching for instance has now receded to 219.11 m about 1 cm above the rule curve, a decline of about 4 cm in the week. The outflow has been reduced to near minimum from its outlet at Washago to slow the drop as much as possible.

VACATION PROPERTY SPECIALISTS SINCE 1956.

BOWES & COCKS LTD. RLTR.

Haliburton 457-2220, Minden 286-2381, Wilberforce 448-2311

senior league

by Bert Harrison

There is something special going on here, this 10th of June day. Lola Prentice is celebrating her 80th birthday, she is a great help in this place too. Each day she sees many things to do and proceeds to do them, instead of saying why couldn't you. The auxiliary is catering to her birthday party today. Everything they do is surely okay. Lola, with son Bill and his dear wife Lenore, with grandchildren, relatives and well wishers galore. What could she be wishing for more? We say God bless you Lola on this special day and hope that more birthdays will be coming your way.

We had a different service in the chapel this June day. Five young men came over, from a group of 35, from Minden Gospel Church, just across the way. They played and sang so nicely for us. We would like to say, "We hear so much about young people, it is good to hear about fine young people walking the straight and narrow way."

Our ladies working in the craft room are very conde-

scending. They have just finished another quilt. Knitting blocks for cushion tops. Now they are doing mending.

We had Edith Welch back with us again, just for a day. Back to the hospital again, for another lengthy stay. We hope she'll be gaining strength from every day.

Doris showed us movies Monday night for our pleasure. "Billy of Switzerland", "African Animals" and "Wilderness Treasure".

We have just learned of the passing of Victor Spencly. Our sympathy to relatives and friends.

Monday afternoon a willing lady came in from Canning Lake. For myself and others a nice wheelchair ride she did take us.

Tuesday morning Rev. Wicks of Minden Gospel Church held a very interesting service in the chapel this lovely June day. We thank you for coming and Fred Ballard who had music to play.

Wednesday was a special day here at Hyland Crest. We were glad the day was

fine. Thirty some seniors from Bracebridge came over to us to dine. They played, we sang some good old numbers. While dinner was being prepared. Then it was served expertly to us until we were all served. We were entertained by Doris Brown, she really knows how to act the clown. She really brought the house down. We are sure the visitors enjoyed their stay, and said they would like to come back again some day. Congratulations Mrs. Trepanier who had a birthday on the 13th day of June. It was a lovely birthday cake that was presented to her at noon.

Wednesday night Earl Cooper came, along with wife and son. Cathy was detained elsewhere and just couldn't come. They are great entertainers and we look forward when it is time to return to us again.

The Minden A.C.W. ladies served a lovely lunch

this Thursday. Then Debbie Vaughan, Bill Payne for a sing along, fine music they did play.

We want to thank the Kinsmen members, who came Thursday night to put on the Bingo. Don and Opal Crowe they were. Our entertainers came again this Friday. Grace, to lead us in a sing song. Fred Ballard, with music to play. Grace always has interesting rhymns to tell us about this and that. And the boy who was told don't tease the dog or chase the cat, don't track in dirt when you come in. The poor boy just couldn't do anything.

Dieter's Prayer

Give me strength, oh Lord, I pray
Help me make it through the day
Deliver me from snacks and sweets
Keep my mind off high cal treats
Bid me flee soft drink

machines

Turn my eyes from ice cream bars
Stay my hand from cookie jars

'Til I'm back in shape again
Hang in there with me, Lord, amen.

"WHERE THE ACTION IS"

around the county town

Call 286-1288 — 9 a.m. — 4 p.m.

To start this week, we'd like to announce that Minden Library is having Forgiveness Week June 18 through 30. This, of course, means that any and all overdue books from the library will be received gratefully - no fines - no questions asked. For those of us who occasionally find a book hiding in a strange place and we were SURE it had been returned, this is the perfect time to get it back into circulation.

St. Paul's Thrift Shop will be open this Friday from 1 to 4 p.m. Lots of summer bargains for the nifty shopper.

Stan and Aileen Blears have a guest, Mark Pearce, who is visiting from Sheffield, England for three weeks.

Results from the Thursday card party held at the Library/Cultural Centre last week, were: lone hands - May Eldridge; high - Dorothy Reaman and for bridge - Nancy Adamson.

We understand the library book exchange for the west side of Haliburton County will take place this Wednesday.

Club 35 card party on Monday evening saw Clarence and Shirley Bunker take the awards for most lone hands and high lady. High man was Elmer Davis while lucky Art Verbaan took the door prize. Other winners were Bill Donnelly, Mary Stevenson and Murray Daniels.

Friends and relatives joined together Saturday June 16 to celebrate the marriage of Jeunne Lacey and James (Jim) Simpson, which took place in St. Paul's Anglican Church, Minden. The bride wore a long gown of off-white orlon

with an overjacket trimmed with lace and carried a fan trimmed with silk roses and carnations. Matron of honour was Jeanne Cruikshank from Shelburne and the bridesmaid was

Carole Lacey. David Lacey was the ring bearer. Best man was Jim's brother in law, John Shearer and William Lacey and Scott Young acted as ushers.

A reception for the couple was held in Minden Community Centre followed by a dance at which approximately 200 well-wishers gathered. Guests came from Geraldton, Mississauga, Shelburne, Orangeville, Barrie, Toronto, Bobcaygeon, Kinmount and Minden. Jeunne and Jim left for a

honeymoon in Niagara Falls and they will reside in the Minden/Kinmount area. (a diplomatic move to say the

least). Our very best wishes to the happy pair.

Contrasts

Some scorching days in summer we think of Twelve Mile Lake,
So we take a drive up to it and our duties here forsake.
But when we reach the beach there, the waves both rush and roar,
And sometimes we are happy just to sit upon the shore.
But we were up that way again one lovely Autumn day,
The lake was like a sheet of glass,
Not a ripple on the bay.
I think our lives are much like that, some calm, some sunny days,
And we must trust the Lord above who is wise in all his ways.

Florence Robinson

A Tragedy in the Midst of the Tall Ships

They set sail with the sea and sky - bright blue.
A stiff breeze blowing, billowing out the sails
Enthusiasm high in all the ships.
A proud vessel - the Marques
When she set sail in all her glory
Was marked for death!
A sudden storm
No time for sails -
Two giant waves,
The ship rolled over
Most of her crew - men and women too - trapped below!
She sank in who knows how many fathoms deep
And now they lie in quiet sleep
Beneath the timeless sea.
Sadly, the other ships sailed on
What could they do?
For a valiant crew now lost!
They arrived in Canada in all their glory
Sailing in the proud procession
The crowd roaring its elation
At the brave flotilla, before them.
The camaraderie of all nations - an unforgettable sight
For those who viewed their great parade, that time can never fade -
But in all the revelry
No one will 'ere forget the tragedy
That befell the proud Marques!

Yvonne Guida

SPECIAL PUBLIC INFORMATION CENTRE Flood-Line and Hazard-Land Mapping

TAKE NOTICE that the Council of the Townships of Anson, Hindon & Minden will be holding a special public information centre on

SATURDAY, JULY 21st, 1984

between the hours of 10:00 a.m. and 11:30 a.m. in the auditorium of the Minden Community Centre.

The policies that have been prepared will apply only to those areas subject to flooding and other natural hazards.

DATED at the Township of Minden this 20th day of June, 1984.

Elinor Burke, A.M.C.T.
Clerk-Treasurer
Townships of Anson, Hindon and Minden

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What usually runs in the family?

A: Noses

Q: What's the fish frier's best friend?

A: The chip monk.

Q: What kinds of fish do you wear on your shoes?

A: Soles & eels.

Q: Why does lightning shock people?

A: Because it doesn't know how to conduct itself.

Q: What beans do cannibals like?

A: Human beans.

Say this three times quickly: Monsters chomp cheap cherry marshmallows.

Agnes Jamieson Gallery

The works of carver Gordon Law and painter Lynda Lapeer continue to be on display until June 22nd. Come and study the works of these two artists. Enjoy Lynda Lapeer's unique painting style incorporated into her works of imagery. For children and adults alike Gordon Law's carvings show us the mythology of the Greeks.

A reminder to pick up registration forms at the Gallery for those interested in displaying their works in our Juried Fine Art Show.

As part of the Province of Ontario Special Youth Employment through the Ministry of Citizenship & Culture we welcome our Experience '84 student Miss Inga Lovell.

Bobcaygeon Road North 286-3763

ANNOUNCEMENTS

Second Annual great Penetanguishene Rotary Fish Hunt is set to go July 1 to 29 this summer with four specially tagged fish, each worth \$25,000 if caught by a registered fisherman in the four week period. A Pike, Perch, Largemouth and Smallmouth Bass will be tagged and released into Southern Georgian Bay near Penetanguishene prior to the start of the hunt. In addition, there are more than \$10,000 in daily and Grand Prizes. A Lund 12-foot aluminum boat and 9.8 horsepower Mercury motor goes to the registered fisherman who catches the largest Smallmouth Bass in Georgian Bay during the hunt. To enter, send your name, address and telephone number along with a cheque or Money Order for \$15.00 to The Rotary Club of Penetanguishene, Box 1171, Penetanguishene, Ontario, L0K 1P0. Deadline for entries is June 29, 1984. For information phone (705) 549-2232. 6Cn/c

CARD OF THANKS

Barbara and I thank all of the people who participated in the Retirement Tea held at the J. Douglas Hodgson Elementary School and the dinner in the evening at the Royal Canadian Legion. We especially thank Joan Fennell and the other members of the Retirement Committee for their superb arrangement of both events.

I would like to express my appreciation to the members of the Haliburton County Board of Education for naming the J. Douglas Hodgson Elementary School - it is a great honour.

I thank the people of Haliburton County for giving me the opportunities that I have enjoyed in this educational system and for their support and friendship over many years.

J. Douglas Hodgson

We would like to take this opportunity to thank our many friends and relatives who made the celebration of our 40th Anniversary so happy an occasion. Especially we would like to thank David, Darlene and Kim for making their home available, and to Ray, Chris, Ralph and Anita for all the support to Darlene and David in the preparations. A great big thank you from the bottom of our hearts.

Elvin and Ruby Johnson

The family of the late Fred Smith sincerely wish to say Thank You to those who helped us so very much in many ways, the ladies of the Stanhope Fire Department for the luncheon they prepared, the nursing staff of Haliburton Hospital for the comfort and care they gave, to Haliburton Ambulance, the VON and Gordon Monk for being so caring. Special thanks to Dr. Donahue for his compassion and concern.

Edna Smith, Ann & Don Barker & Family

IN MEMORIAM

GARTSHORE: In loving memory of a dear husband and father and grandfather, Loran, who passed away June 24, 1983.

There is a home not made by hands,
Beyond its golden door
Awaits the one who's now away.
Not lost, just gone before
And in that home not made by hands,
The Master will prepare
A place for us, and when He calls,
We'll meet our loved one there.

Sadly missed and remembered by Mildred, Verne and Marlin, Craig, Margaret and Jason, Gary, Pat, Chris, Gary Jr. and Sean.

PROCENKO: In loving memory of someone so very special, Michael.

In my garden of memories
Where teardrops fall as dew
There will always be a rose
That blooms in memory of you
And on those misty mornings

As the sun begins to break
I see those double rainbows
And feel that old heartache
That's when I get to wishing
For yesterday and you
But I know deep inside me
My prayers will have to do
So God please take a message

To that kingdom up above
Tell him that we miss him always
And that he's ever loved.

Always in our thoughts.
Mom, Dad and Lisa

PROCENKO: In loving memory of our friend Michael, taken from us June 23, 1978.

Sunshine fades and shadows fall
But sweet remembrance outlasts all.

The Beers Family
